

Lecture Overview: Starting with resume project

In this lecture, you will learn -

- How to add a Navigation bar and icons on the web page?
- How to set the shadow and transition on the element?

At the end of this lecture -

- You will be able to create a multi-section web page with a navigation menu.
- You will be able to style the web page with advanced CSS properties like shadow and transition.

To make the best use of this lecture, we advise you to keep the same points in mind as suggested for earlier lectures.
